

IACO 2023 County Official of the Year

Deadline for Submission: **4:30pm on October 31, 2023**

Each year the IACO recognizes an outstanding county government official who best demonstrates our mission of improving the quality of county government through education, promoting responsible public policy, and providing ethical service while maintaining a high standard of performance. This form is intended to facilitate the selection process by providing biographical information of each candidate. All nomination forms must be received by the deadline in order to be considered.

Purpose and Criteria: The purpose of the Illinois Association of County Officials' County Official of the Year Award is to recognize a county government official or employee who has demonstrated a commitment to excellence in county government both within his or her own community and on a regional or statewide level. This distinction will be made each year to one person representative of the high ideals embraced by the Illinois Association of County Officials, (IACO).

Eligibility: Any elected or appointed official or employee of a IACO member county is eligible. Current members of the IACO Board of Directors are ineligible to receive the award.

Award: The results will be kept secret until the Fall Conference. At the Fall Banquet, the award will be presented to one individual who has made significant contributions through their service.

Nominator Responsibility: In most instances nominations will come from the nominees affiliate organization. The nominator is expected to ensure that the nominee is at the Fall Conference Banquet to receive the award. It is not however required that the nomination come from the nominees affiliate organization. The Veterans for instance may nominate a candidate from the Coroner's, but such a nomination would require considerable research by the Veterans to understand the position of Coroner and prepare a nomination that can compete with other nominees. It would be better for the Veterans to contact the Coroners and seek support for the potential nominee.

Selection Process: The selection of the County Official of the Year is a difficult process – due in large part because of the high quality of the candidates. Our overall goal is to establish a process that results in a fair selection with as minimal bias as possible. The members of the committee all represent an affiliate organization – and it is natural that we would support the individual nominated from our own affiliate – if for no other reason than we are most familiar with the service and dedication of that individual. So our goal was to minimize that bias to the extent possible and streamline the application process. Here is the selection process.

- 1) Any currently serving county official (at the time of nomination) will be considered for the award. Individuals that have resigned or retired earlier in the year are not eligible. (The Board noted the IACO President can at any time recognize an individual with a "President's Award".)
- 2) To minimize the inherent bias of committee members (supporting the candidate from their own affiliate organization) the Board approved a selection process currently being used by another national organization:
 - a) Each IACO Awards Committee member is responsible for selecting a "judge" from outside the IACO membership, such as a local judge, state official, or community leader. Contact information for the judge is forwarded to the Awards Committee Chairperson.
 - b) Nominations are forwarded to these judges directly from the Awards Committee Chairperson along with a scoring sheet. (Committee members do not receive the applications.)
 - c) Judges rank the nominees in several categories based on the merits of the application and forward the scoring sheets back to the Chairperson.
 - d) The Chairperson tallies the scores and announces the winner at the Fall IACO Conference.
- 3) Use of a standardized application.
- 4) Use of a standardized scoring sheet for use by judges.
